

FIND OUT MORE... Proms in the Playground Bunting

#PromsInThe
Playground
4-22 July 2022

Your school has a special day in July when it is going to be visited by a Brass Band. We think you'll love it! British Brass Bands are traditional, musical ensembles that include a wide variety of brass instruments and percussion. The music that they play is really varied, from operatic overtures to pop music.

When there are special events or occasions, we like to decorate our surroundings in lots of different ways. Bunting is one traditional way that you can decorate your classroom, your playground, or your school hall, to celebrate something special.

Because a Brass Band is coming to visit your school, we would love to see some bunting decorating the performance area where the Brass Band will play. You can design your own bunting, but it should be about music and Brass Bands.

We have provided some templates that you can colour in or some plain bunting for you to make your own designs. Have fun!
