

About Brass Bands England

Brass Bands England is the Arts Council England-funded Sector Support Organisation for Brass Bands. We deliver training, provide access to discounts and give bands at all levels a voice. Thanks to funding as part of the Government's Culture Recovery Fund, we are in a position to grow our team. Our national office is based in Barnsley, however our current team works from across the UK.

Why work for us?

Brass Bands England offers a number of attractive benefits for its salaried staff members.
