

BRASS!

VERSE 1

We can learn to do something, that's cool and sounds quite clever, making music makes us feel good, isn't boring whatsoever. We get to be a part of something mind-blowing and fun, and you'll love being in a band cos there's a place for ev'ryone.

CHORUS

Brass! if you choose it
 Brass! can groove it
 Brass! it's instrumental
 Brass! soft and gentle
 Brass! will power through it
 Brass! can jazz and blues it
 Brass! march to it
 Brass! you can do it!

VERSE 2

You can play the cornet when you're hanging out at home, you can play the tenor horn, the bass or even the trombone, and when we play together and the sound blows you away, that's the Brass Band bug that's got you and that's why we learn to play

CHORUS

BRIDGE

Being in it means being on it,
 Being with it and getting lots from it
 Being right in the middle giving it some class
 Acing life and playing...
